

K-LOVE serves me by keeping me informed of local events and local and worldwide news. If K-LOVE were replaced by LPFM broadcasting this would severely impact my community by its loss of K-LOVE's services, free bulletin board announcements. I believe that the service provided by K-LOVE is in the public's interest because K-LOVE provides radio broadcasting that appeals to all age groups and people groups. They also provide free services such as their bulletin board community announcements.
